

British Society for Neuroendocrinology Outreach and Public Engagement Grant Rules

Deadline: open all year

Eligibility

All members, including academic staff, post-doctoral research fellows and postgraduate students, as well as non-member public engagement professionals. Non-members must apply with a BSN member (please contact theteam@neuroendo.org.uk to be matched with a suitable BSN member). BSN members must have been a member of the British Society for Neuroendocrinology (BSN) for at least 6 months. Join today: www.neuroendo.org.uk/join

To ensure an appropriate neuroendocrine focus of proposed activities, non-member public engagement professionals must contact the Society before submitting an application (at least six weeks before submission) to be partnered with a Society member who will assist the development and/or delivery of the activity.

Summary

The Outreach and Public Engagement Grant scheme has been developed to provide up to £500 of funding for BSN members to organise public engagement activities aimed at school children and/or the general public to communicate the science of neuroendocrinology. The term public engagement covers a variety of activities, including (but not limited to):

- A presentation open to the general public
- Talking to a classroom of children about neuroendocrinology, careers in science etc.
- Hosting a stand at a science festival
- Developing online/video/audio/print resources for the public

These grants are not intended for activities aimed specifically at patients, commercial activities, those which contribute towards recruitment to a particular institution, or purchasing of equipment that should be properly funded by other sources.

Award value

Up to £500

How to apply

Applications must be made through the BSN membership portal. Please log-in and then navigate to Me and the BSN > Grants.

Deadline

Applications are welcome all year round and will be reviewed by the grants sub-committee. If you are successful, grants will be awarded shortly afterwards.

Awards Committee

A subgroup of the BSN Committee chaired by the Grants Committee Chair will act as the Awards Committee for this Fund.

Award criteria

When multiple applications are received and/or available funding is limited, preference will be given to

those applications which include activities which promote widening participation in science of historically under- represented groups. Enquiries should be sent to theteam@neuroendo.org.uk
Correspondence will not be entered into with regard to award decisions. Incomplete applications will not be considered.

Grants Report Form

All successful grant applicants are expected to submit a Grants Report Form no later than 6 months after the end of the grant. This will be emailed to successful applicants. Please note, future grants will not be awarded if no Grants Report Form has been received.
